

Safety Case Symposium 2018

Technologies, Methodologies and Regulations

www.safetycasesymposium.com

Singapore | March 14 – 15, 2018 | 0900 – 1700hrs

The first international “Safety Case Symposium” will be held in Singapore in 2018, with **TÜV Rheinland** and **Singapore Institute of Technology** as technical partners.

Background

Since the Safety Case Regime was established in the UK, the regulators of various countries (e.g. Denmark, the Netherlands, Australia, Brunei, and Singapore) have adopted similar regimes for their Major Accident Hazard Facilities.

The *Safety Case Symposium* is the dedicated platform where global stakeholders of safety cases come to share, learn and discuss Safety Case related topics. Safety Case Symposium 2018, hosted in Singapore, is themed *Technologies, Methodologies and Regulations*.

Who should attend?

- safety/security regulators
- process industries or other Major Accident Hazard Facilities
- safety professionals
- university and research institutes
- standards development bodies
- engineering communities
- other relevant stakeholders of safety case regime

Topics

- the developments and trends of state-of-the-art technology
- best engineering practices
- in-depth methodology argument
- latest regulations/standards update
- other relevant topics in Safety Case in the context of Singapore and/or global market

Registration

- Online registration at [our website](#). Payment mode: debit/credit card, Paypal; or
- Email registration using Registration Form (attached on the next page). Payment mode: cheque, bank transfer

Fees

- Normal price: SGD 1,050 (incl. GST)
- Early-bird price: SGD 850 (incl. GST) valid until January 22, 2018
